Dance For the Joy of It!!

Go on...have some fun.

Party at Our Place

You invite your friends or your children's friends (up to 14 people, not including parents) and let us know what kind of party you would like. Some popular choices are: Ballerina Party, Princess Party, Tinkerbell Party or Mermaid Party for girls. We also offer the Train Party for boys. For adults, Ballroom Dance and Swing Dance parties are always great fun! You can make up your own too. Be creative and let us know what you would like. Our basic party is \$190 and includes a 45 minute dance lesson with one of our expert instructors in the style of your party. We have wands, tutus, tiaras and sparkles for all. Dance lesson or movement games usually kick the party off in the dance studio. We offer a room for your cake and/or appetizers and presents, which you may decorate to your liking or have us decorate for you. We ask that you plan for a 2 hour party.

Party at Your Place

You do the party at your place and we'll come and spice things up with our expert instructors. Have a ballroom dance lesson in your living room or have a ballet class in your kitchen. Our instructors or performers will come to your home for a minimum of \$75 for a 45 minute session. You do all the planning, we sweep 'em off their feet!

Party Supplies

We can provide party supplies, such as plates, napkins, favors, etc. for an additional cost. Our specialty is providing ballerina accessories for your little ballerina's party. Prices are subject to change.

Clean-Up

We'll even do your clean-up for an additional charge (Dance Studio Only). Don't worry about the mess. Just have fun and party on. We do require a cleaning deposit before the big day, which is fully refundable if things are returned to the way they were found.
